

Programme

Admission to all of these official events is included with Weekend Tickets or relevant Day Tickets (subject to venue capacity). Prices in brackets are for individual event admission tickets, which may be available if there are spare seats once Weekend/Day Ticket holders have been accommodated. For more details, see our Venue Admission Policy.

We hope that anyone attending free events, who doesn't have a Weekend/Day Ticket, will consider making donations to Festival Funds if they are able to do this.

Please note that the advertised line-up and schedules may be subject to change. We will endeavour to ensure that any line-up changes that may be necessary are on a like-for-like basis in terms of quality and reputation.

Black and white copies of the Programme of Events will be available free of charge from the Festival Office.

More things to do during the Folk Festival:

Saltburn Folk Festival (a not for profit company) organises and promotes all the official Festival events.

Other community organisations and businesses will be adding to the folky atmosphere around Saltburn, and providing additional things for visitors to do. The Festival Team welcomes this kind of activity. However, we are responsible only for the official Saltburn Folk Festival events. We’ll make a list of “More things to do during the

Folk Festival” and put this on display in the Festival Office. We’ll share this information on our social media channels too.

Thanks to all the Sound Engineers looking after our venues: Frank Holmes (Wear Sound) – Community Theatre; Jim Rolley – Emmanuel Church Hall; Barry Evans – Community Hall); Rob van Sante – Cricket Club
